

# Homeport ECONOMIC IMPACT

## A RECENT STUDY,

conducted by New England Market Research Inc., concluded the following impact on Central Ohio's economy from Homeport activities and services.

Homeport is a private 501(c)(3) non-profit serving tens of thousands of central Ohioans each year. Its mission is to create and preserve healthy, stable and affordable communities, one neighborhood, one person at a time. They do this by developing quality and energy efficient homes, providing consistent and transformative education and services to address each resident's unique barriers to, and opportunities for, success, involving and empowering residents, focusing on community revitalization and creating strong and fruitful collaborations.
