

St. Mary Development Corporation

ECONOMIC IMPACT

A RECENT STUDY,

conducted by New England Market Research Inc., concluded the following impact on Greater Dayton's economy from St. Mary Development Corp. activities and services.

St. Mary Development Corporation, a faith-based non-profit organization, creates sustainable, affordable housing solutions through real estate development, homeownership services and community revitalization initiatives. St. Mary has created over 3,100 affordable housing units, primarily for seniors in the Dayton area. Additional programming through St. Mary includes the Homeownership Center of Greater Dayton, which empowers local residents to achieve and sustain homeownership and financial success. We have helped thousands of individuals and families meet their homeownership goals through a variety of services such as homebuyer education, foreclosure prevention, financial literacy and reverse mortgage counseling.
